### **BOARD/PUBLIC COMMENTS**

Ms. Amy Miller stated that she has a petition with over 340 parent signatures requesting that teachers be brought back for summer open house at Orchard Hill and Village Elementary Schools. She stated her feeling that this open house creates a nurturing and welcoming school environment for our youngest students and reduces student anxiety for the first day of school. She requested just one hour of open house with teachers for each grade.

Mr. Walter Beadling thanked and recognized the teachers who are retiring. He also stated that Mr. Barclay will be missed.

Mr. Beadling expressed concern on how the board of education meetings are conducted with question and answers and five minute rule limits for public discussion. He feels this keeps people from getting timely answers. Mr. Beadling asked if the board gave his suggestion from the past meeting for a question and answer period any consideration and if not, he wanted to know why.

Ms. Virginia McCosh expressed concern with an incident that happened in her daughter's classroom. She expressed concern that the teacher was removed from the classroom after a bathroom incident. Ms. McCosh asked what the proper protocol is for students with impairments.

She stated that parents should be alerted to the removal of a teacher from class and requested that the teacher and aide be brought back into the classroom.

Ms. Patricia Leedy also expressed concern over the removal of her child's teacher. Ms. Leedy stated that it was her direction to the teacher that her child needs to be supervised in the bathroom or with the door open. Ms. Leedy also expressed concern that her child's class was excluded from events in the school and feels that her child's best interest is not being met.

Ms. Phyllis Bursh stated that she had the pleasure of attending the board retreat on May 31<sup>st</sup>. She understands that the board meetings are in public as opposed to "public meetings." She stated that she has concern for the tone in which the board treats one another and the public. She feels there should be a balance, and the community should feel that the board is listening to them. She thanked the district for working on the physics program.

Mr. Rimal responded that this is a meeting that is conducted in public. He added that the district has established a five-minute rule for public comments in order for the board to have sufficient time to conduct its business. Some districts allow less time for public. Mr. Rimal also stated that the board will do their best to answer questions during the meeting.

Mr. Alan Wirsul questioned the cost of buses and HVAC fans. He feels the district is fixing problems on a piecemeal basis and stated that a study should be done on tri-generation systems. Mr. Wirsul stated that he feels all finance and budget meetings should be open to the public.

Mr. Rimal stated that the district will take the petition on open house under advisement. He will respond by the next board meeting.

### **REVIEW OF MINUTES**

The board reviewed the minutes of the following Board Meeting(s):

1. May 13, 2014 Executive Session Meeting

The minutes will be approved at the June 17 business meeting.

### **REVIEW DRAFT BUSINESS MEETING AGENDA FOR June 17, 2014**

The Board reviewed the draft agenda for the June 17, 2014 Business Meeting.

### **BOARD/PUBLIC COMMENTS**

Mr. Beadling asked what is the difference between a public meeting and a meeting in public.

Ms. Bursh stated that the UMS student drop off needs to be addressed. She asked that the board evaluate the grass section on the side for a semicircle drop off and asked if surplus could be used for this purpose. Ms. Bursh also requested that the board include a report on open house at Orchard Hill on the next agenda.

Mr. Rimal stated that our meetings take place in front of the public not with the public.

Mr. Goldoni stated that surplus is money from one year which is appropriated in a subsequent year. If we don't appropriate that money, we have to get the money from the public through increased taxes.

Ms. Michaelson responded that the UMS drop off has been a concern. However, in order to fund this, we will have to take the money away from something else.

**EXECUTIVE SESSION** – A motion was made by Ms. Michaelson and seconded by Mr. Hladick that the board adopt a resolution to go into executive session at 10:02 p.m.
